*your perfect wedding
our perfect venue*

It's your perfect day, Since 1866, it's been our perfect venue.

Imagine your wedding at Old St Paul's, Wellington's treasured historic church. Famed for its glowing wooden interior and beautiful stained glass windows, Old St Paul's offers a traditional setting, close to the heart of the city. Intimate, welcoming, elegant, and tranquil - memories for a lifetime start here.

Old St Paul's is a consecrated, interdenominational building, and you may have a religious or civil service with your own minister of religion or civil celebrant.

Let our weddings co-ordinator ensure your day is relaxed and stress-free by assisting you with ideas and recommendations, the details that make the difference, and simply making sure everything will happen just as you require during the most important part of your special day.

Weddings may be held on any day of the week, at night (on request), and all the year round. Booking well in advance helps ensure you get the perfect date, but Old St Paul's may be available even at short notice. The hire time for the church is usually one and a half hours.

Hire of Old St Paul's includes:

- Organist (organ or grand piano may be played)
- Professionally arranged seasonal flowers
- Sound system, CD or tape player for your own music
- Pew decorations in gold, cream, white or silver (your choice)
- Comprehensive rehearsal with Old St Paul's weddings co-ordinator
